

**Additional Instructions for mailing your parcel**

- Securely package the item to avoid damage during return--if possible, please use the original packaging.
- Remember to include the Return Merchandise Authorisation inside the package.
- Affix the personalised return mailing label securely to the package, covering up any previous delivery address and barcode without overlapping any adjacent side.
- Affix the appropriate postage to your package. Please note that the return postage will be added to your refund if the return is a result of our error. See our Returns Policy for details.
- Send the parcel from your nearest post office or via the delivery method of your choice. If the value of the items you're returning is more than £20.00, it's recommended that you use a trackable return method.
